Dear Potential Sponsor,

For 23 years, Covenant Enabling Residences of Illinois (<http://cerofillinois.org/>) has been serving people with developmental disabilities in Illinois. With prayer and generous support we have been able to provide safe and loving homes in a Christian environment where our residents / family members can live their lives to the fullest. Our staff provides care and guidance around the clock in all areas of daily life to ensure our residents are happy, healthy and productive members of their community. We are blessed to be able to watch each of our loved ones live and grow where they are embraced for their abilities rather than their disabilities.

On **Sunday, October 29, 2017, CER of Illinois will be hosting our 2<sup>nd</sup> Annual Fall Harvest Gala.** A portion of our event's proceeds will provide each resident the opportunity to attend summer camp and Special Olympics. It truly takes a village to provide the care and opportunities our residents deserve. Please find it in your heart to join the CER village by partnering with us as a sponsor. Below you will find various sponsorship opportunities.
